# Spring 2022

Here are some of the other things coming up this term – speak to Dave if you'd like any more information about any of them.

---

**Christianity Explored** starts with a taster session on Thursday 6 January and then runs over the following five Thursdays (7:45pm – 9:15pm at the Lees, 16 Farlow Road, SW15 1DT). Great for all but particularly good for those looking into Christianity for the first time or wanting to brush up on the basics.

---

Our Monthly **Prayer Meetings** are on the first Wednesday of every month (with exceptions in January and March this term) between 8pm – 9pm in a hybrid format: either come to pray in person at the Lees (16 Farlow Road, SW15 1DT – come at 7:45pm for tea and coffee) or join online via Zoom (Meeting ID 498 303 9937 and Passcode 525949).

---

Our **Home Groups** meet on Tuesday or Wednesday evenings around Putney, Roehampton and further afield. They're a great way of being encouraged and encouraging others in our Christian faith as we help one another live out what we've been learning in God's word and pray for one another.

---

**Marriage Matters** is an opportunity for married couples (and those moving towards marriage) to invest in their relationship, whether married life is really good, would benefit from a bit of an MOT, or is quite hard work at the moment. Running on the last Monday of the month via Zoom (Meeting ID 498 303 9937 and Passcode 525949).
